INFORMATION DISCLOSURE STATEMENT

The applicants submit herewith patents, publications, or other information of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 C.F.R. 1.56.

While the information submitted in this Information Disclosure Statement may be "material" pursuant to 37 C.F.R. 1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to therein is "prior art" for this invention unless specifically designated as such.

Each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application; not more than three months prior to the filing of the Information Disclosure Statement.

The patents and/or publications submitted herewith are set forth on the attached Form PTO-1449.

No fee is believed to be incurred by the filing of this Information Disclosure. However, in the event a fee is required in connection with the enclosed Information Disclosure Statement, the Commissioner of Patents and Trademarks is authorized to charge Deposit Account No. 50-0714/LYNN/0089.A for the necessary amount.

Respectfully submitted,
